department

3000 sq.m. surface

Mr60 B ride-on scrubbing machine with 60 cm working width is a revolutionary machine; it is not just a scrubbing machine, but it represents a new business model.

Mr60 B is unique in its category and cuts down on cleaning costs to the lowest possible levels.

In fact, dramatically reduced costs for machine purchase and maintenance together with labour cost reduction can generate over 40% saving compared to a walk-behind scrubbing machine.

ESSENTIAL, in nature

ESSENTIAL, in professional cleaning

**MR60 B has all that is needed,
with its high-quality essentials!**

Standard equipment: **THE ESSENTIAL**

Ordinary maintenance
can be performed
also by unskilled
personnel

Water and detergent
saving up to 50 %

Thanks to its extremely
low noise levels,
cleaning operations
can be performed also
during normal working
hours so that the much
more expensive night
shifts can be avoided

Operating autonomy:
up to 4 hours
of continuous operation

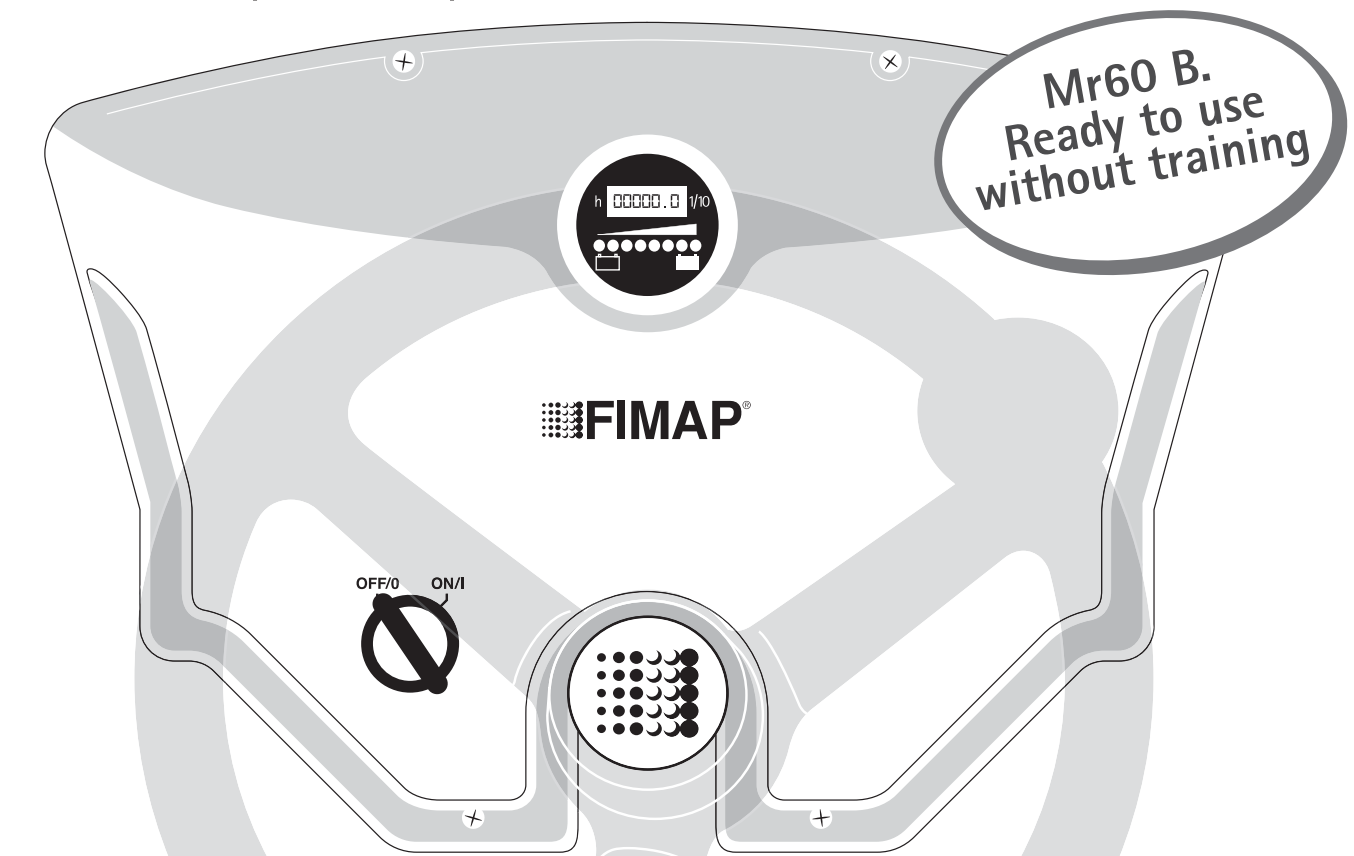

ESSENTIAL, in terms of practical writing

ESSENTIAL, in terms of practical cleaning

MR60 B is user-friendly and accessible to everybody!

Operating procedures: THE ESSENTIAL

Mr60 B.
Ready to use
without training
